The Birmingham Police Department reports that detectives are conducting a Homicide investigation. The incident occurred Friday, January 29, 2016 in the 900 block of 47th Street North.

The victim has been identified as:
Jamie Moore, B/M, 22 of Birmingham

On Friday, January 29, 2016 around 9:30 p.m., officers from the South Precinct responded to the listed location on a person shot. Upon arrival, officers found the victim lying inside the stair case suffering from a gunshot wound to the body. The victim was pronounced deceased by Birmingham Fire and Rescue.

Witnesses reported hearing several gunshots in the street but the victim was found inside an apartment complex stair case. There are currently no eye witnesses to the murder. "It is a challenging time for law enforcement when crowds of people stand by and refuse to get involved. A life taken should mean something to somebody and must never be accepted as the norm".

This is an ongoing investigation, and information will be released as it becomes available.
