## **Homicide Investigation**

The Birmingham Police Department reports detectives are conducting a homicide investigation. The incident occurred on Monday, April 6, 2020.

**The victim has been identified as Quintin Martin, (51), B/M, of Birmingham, Alabama.**

At approximately 2:55 p.m., Officers from the North Precinct responded to I-65 Southbound and Daniel Payne Drive on a call of a person struck by a vehicle. Officers arrived and discovered the victim laying in a grassy area near the freeway. Birmingham Fire and Rescue responded to the scene and transported the victim to UAB Hospital with life-threatening injuries. On April 12, 2020, detectives were notified the victim succumbed to his injuries.

The preliminary investigation suggest the victim exited a small sedan traveling on the southbound ramp and began to walk in the opposite direction of the ramp. The vehicle then drove down the opposite direction of the ramp and struck the victim from behind. The driver of the vehicle left the scene. It appears the motive in this incident is Domestic in nature. The suspect was later taken into custody.

The suspect has been identified as  
**Patrice Lawson-Williams, (50), B/F, of Birmingham, Alabama.**

Detectives presented the initial information gathered on the case to the Jefferson County District Attorney's Office for review. Following the assessment a Domestic Violence 1<sup>st</sup> Degree warrant was obtained with a \$30,000 bond. Upon notification of the death of the victim, Detectives will pursue further charges. **Additional information will be provided as it comes available.**

**This is Birmingham's 24<sup>th</sup> homicide investigation of 2020 and 4 justifiable death investigations. *The Birmingham Police Department adheres to FBI Uniform Crime Reporting guidelines set for all law enforcement agencies across the United States. FBI Uniform Crime Reporting guidelines do not require law enforcement agencies to include justifiable death investigations into the total homicide investigations counts.***

*\*The information is based on a preliminary and ongoing investigation, which continues to evolve as investigators interview witnesses, review physical and electronic records, and analyze forensic evidence. The Department's understanding of the facts and circumstances may change as additional evidence is collected and analyzed\*\**
