Double Homicide Investigation

The Birmingham Police Department reports detectives are conducting a double homicide investigation. The incident occurred on Tuesday, October 13, 2020.

The victims will be identified upon notification of next of kin.

At approximately 11:41 p.m., officers from West Precinct responded to a residence in the 400 block of 29th Street Ensley on reports of two people found deceased. Officers arrived and observed two victim lying in a bedroom unresponsive. Both victims suffered from apparent gunshot wounds. Jefferson County Coroner along with Birmingham Fire and rescue responded to the scene and pronounced both victims deceased.

The preliminary investigation indicates the landlord of residence was notified that a door was open at the property. The landlord went to check on the property and discovered both victims inside deceased. The victims were last heard from earlier during the day on Tuesday, October 13, 2020. No arrest has been made in connection to this homicide. Detectives have not established a clear motive.

If there is anyone who has information pertaining to the case, please contact the B.P.D. Homicide Unit @ [205-254-1764](tel:205-254-1764) or Crime Stoppers @ [205-254-7777](tel:205-254-7777). Updates will be provided as information comes available.

This is Birmingham's 81st and 82nd homicide investigation of 2020 and 14 justifiable death investigations and 1 non-criminal homicide (accidental shooting). [The Birmingham Police Department adheres to FBI Uniform Crime Reporting guidelines](#)

set for all law enforcement agencies across the United States. FBI Uniform Crime Reporting guidelines do not require law enforcement agencies to include justifiable death investigations into the total homicide investigations counts.

The information is based on a preliminary and ongoing investigation, which continues to evolve as investigators interview witnesses, review physical and electronic records, and analyze forensic evidence. The Department's understanding of the facts and circumstances may change as additional evidence is collected and analyzed
