Homicide Investigation

The Birmingham Police Department is conducting a homicide investigation. The incident occurred on Monday, June 28, 2021.

The victim has been identified as:

Dentarius Maurice Jackson, (20), B/M, of Birmingham, Alabama.

At approximately 10:30 p.m., East Precinct officers were dispatched to 8730 1st Avenue North (Chevron Gas Station) on report of a person shot. Officers arrived on the scene and observed the victim in the back seat of the vehicle suffering from an apparent gunshot wound.

Birmingham Fire and Rescue personnel transported the victim to UAB Hospital with life-threatening injuries. The Jefferson County Coroner's Office notified the Birmingham 911 Communications Division that the victim succumbed to his injuries at UAB Hospital the following day.

The preliminary investigation suggests the victim was shot at a nearby location and subsequently driven to the Chevron Gas Station for medical assistance.

If there is anyone who has information pertaining to the case, please contact the B.P.D. Homicide Unit @ [205-254-1764](tel:205-254-1764) or Crime Stoppers @ [205-254-7777](tel:205-254-7777).

Anonymous tips can also be submitted to Crime Stoppers through the Birmingham Police Department's Mobile App. Simply download the app and submit a tip. Updates will be provided as information becomes available.

This is Birmingham's 54th murder investigation of 2021 with 4 justifiable death investigations). The Birmingham Police Department adheres to FBI Uniform Crime Reporting guidelines set for all law enforcement agencies across the United States. FBI Uniform Crime Reporting guidelines do not require law enforcement agencies to include justifiable death investigations into the total homicide investigations counts.

****The information is based on a preliminary and ongoing investigation, which continues to evolve as investigators interview witnesses, review physical and electronic records, and analyze forensic evidence. The Department's understanding of the facts and circumstances may change as additional evidence is collected and analyzed****
