**Axon Roadshow is Coming to the Birmingham Police Department**

On September 13, 2022, Axon Roadshow will be making an appearance at the Birmingham Police Department from 10:00 a.m. -2:00 p.m. at the Birmingham Police Department Headquarters (1701 1st Ave N, Birmingham, AL 35203). During the roadshow, participants will be able to view and demo Axon's latest products ranging from a virtual reality, taser devices, autonomous drones, body cameras and more. We will also have representatives from the Axon company and the Birmingham Police Department to speak about how this equipment works in the community and the value that it brings to modern day policing. Media is invited to come out and join us from 10:00 a.m.-11:00 a.m. to view and participate in demos and be able to interview representatives. Please RSVP by contacting Birmingham Police Department's Public Relations Manager, Keaira Turner, at [keaira.turner@birminghamal.gov](mailto:keaira.turner@birminghamal.gov).

The Axon Roadshow is coming! Axon is excited to visit your area as part of our 2022 Axon Roadshow. Join us for a day of low-stress demos and of course some free lunch and swag—see you on the road!
