Double Homicide Investigation

The Birmingham Police Department is conducting a double homicide investigation. The incident occurred on **Friday, February 16, 2024**.

The victims have been identified as:

1. **Angeliyah Webster, (20), B/F, of Birmingham, Alabama.**
2. **Christan Norris, (20), B/M, of Birmingham, Alabama.**

On **Thursday, February 15, 2024**, West Precinct officers and BPD's Special Victim's Unit detectives began investigating the disappearance of Angeliyah Webster and Christian Norris. The couple was last seen on **Valentine's Day 2024** after leaving a residence in a White Ford Taurus to go out on a movie date.

On **Friday, February 16, 2024**, the investigation led detectives and officers to the 4100 Block of 10th Avenue Wylam where officers located the couple's White Ford Taurus. Upon further investigation, officers observed the victims inside the vehicle suffering from an apparent gunshot wound.

The preliminary investigation suggests the couple were both victims of a homicide.

There is no one in custody.

Anyone who has about the case, please contact the B.P.D. Homicide Unit @ **205-254-1764** or remain anonymous and receive a cash reward by dialing Crime Stoppers @ **205-254-7777**.

Crime Stoppers pays tipsters cash rewards of up to \$5,000 for their tips.

This is Birmingham's **13th & 14th** murder investigation of 2023 with **1** justifiable death investigations.

The Birmingham Police Department adheres to FBI Uniform Crime Reporting guidelines set for all law enforcement agencies across the United States. FBI Uniform Crime Reporting guidelines do not require law enforcement agencies to include justifiable death investigations in the total homicide investigations counts.

****The information is based on a preliminary and ongoing investigation, which continues to evolve as investigators interview witnesses, review physical and electronic records, and analyze forensic evidence. The Department's understanding of the facts and circumstances may change as additional evidence is collected and analyzed****
